A close-up photograph of a hand watering young green plants in a field. The hand is positioned on the right side of the frame, with water dripping from the fingers onto the soil. The plants are small and vibrant green, growing in dark, rich soil. The background is softly blurred, showing more plants and a bright light source, possibly the sun, creating a warm and nurturing atmosphere.

Search Tips

检索技巧

You can use the Boolean operators AND (also + or &), OR and NOT (also -) within search fields. These operators must be entered in UPPERCASE to work.

If more than one term is entered, and no

可增添至七个检索框，每个检索框中可使用布尔运算符“AND, OR, NOT”进行连接；支持通配符

AND cord while *Spiral cord* finds this exact phrase.

Wildcards

Use a question mark (?) in a search term to represent a single character (*wom?n* finds women or woman). Use an asterisk (*) to represent zero or more characters. For example, *plant** finds all words with that root (plant, plants, & planting) while *an*mia* finds variants with one or more letters (anemia & anæmia). Wildcards CANNOT be used at the start of a search term (**tension*) or when searching for phrases in quotes ("tobacco smok*").

This is not much better!

Dear Editor,

We would like to submit our manuscript
“Fantastic Synthesis of Really Interesting
Compounds” to your journal. We hope you will find
it acceptable for publication.

Yours Sincerely,

WILEY

An aerial photograph of a dense, green forest. A narrow, light-colored road or path winds through the trees, starting from the bottom right and curving towards the top center. The trees are tall and thin, creating a textured canopy. The lighting is bright, casting shadows on the forest floor.

Thank you!
